Related Experience

Match Analysis / Thoughts on Football

Created a website entitled "Beauty Within Football" now part of Motz.Football. A collection of over 300 articles detailing tactical analysis of professional matches. Pieces have been shared by both Valencia CF and AS Roma on their various social media accounts.

Have recently expanded the site to include pieces about broader youth development topics, data analysis, and overall thoughts on the game.

The site has been viewed by over 500,000 unique visitors.

Coaching Experience

NEFC / June 2021 - Present

Metro Region Technical Director

- Working with coaches on a 1-on-1 level to help them develop individually
- Using video and data analysis to evaluate style of play adherence and player development
- Creating game model, training methodology, and curriculum
- Creating individual development plan templates to help players achieve set goals

Juventus Academy Boston / June 2020 - June 2021

Greater Boston Regional Director

- Oversaw the logistics and overall growth of the Greater Boston region
- Responsible for budget and expense management
- Managed and supported staff in their roles and their growth as coaches
- Worked with club hierarchy to ensure players are being best served and the environments in which they are working in are appropriate for their development

Global Premier Soccer / January 2018 - June 2020

National Technical Director / January 2020 - June 2020

- Ran professional development theory sessions both in person and via Zoom
- Developed nation-wide 'sessions' for players during COVID. Three team sessions and two goalkeeper sessions were sent weekly. Players received a 'game day' activity on Sundays. Sessions here.
- Began developing new club-wide methodology, pedagogy, and periodisation plan
- Began the creation of a club-wide video database for coaches to utilise in their session plan with content relevant to the style of play and periodisation topic for the week
- Oversaw creation of town partner curricula
- Managed the 'Coaches Corner' newsletter sent out weekly to coaches with relevant information
- Began working with previously recorded StatsSports data to rework physical periodisation plan
- Maintained and updated 'GPS Technical Area' website and worked with Coaching Manual on transition

Metro Boston Regional Director / June 2018 - December 2019

- Oversaw 400+ players from U7 - U19
- Manage 20 staff members: coaches, community managers, interns
- Responsible for budget and expense management. Revenue for 2018/2019 being \$1.1 million
- Cut expenses by 10% for 2018/2019 compared to 2017/2018 numbers
- Oversaw an increase in player registration by 33% from EOY 2017/18 to EOY 2018/29
- Booked facilities for both practice and league play
- Created schedule for team practices and league games
- Responsible for creating new programming within the region
- Created partnerships with local YMCA, gyms, pre-schools, and recreational town programs
- Supported relationships with two town partnerships: Newton YS and Waltham YS
- Won 2018 'Newcomer of the Year' for GPS Massachusetts

Massachusetts Grassroots Director / January 2018 - June 2018

- Ran the club-wide U8 program, amounting to 400 players across GPS Massachusetts
- Scheduled and ran internal, weekly U8 league play
- Oversaw 40% increase (from 30% to 70%) of eligible U8 players moving into club U9 programming
- Supported Regional DOCs in creating programming and relationships with YMCAs, pre-schools, Boys and Girls Clubs, parks and recreation for GPS Juniors (3 to 6 year old program)

Miscellaneous / January 2018 - June 2020

- Created team registration handbooks and various program handbooks
- Created various marketing and graphics
- Created tryout/promotional video for 2020/2021 season.

Abbey Villa Soccer Club / January 2014 - December 2017

Boys Technical Director

- Created a full player development pedagogy and methodology plan for club wide use
- Held professional development meetings for coaches
- Oversaw 12 staff members coaching on the boys side of the club
- Grew the boys program from 275 to 350+ participants, a 27% increase in participants
- Monitored the individual development of all boys (350+) at the club
- Scheduled training and home league game fixtures for both boys and girls
- Created imagery and graphics for tryouts and other needs in Photoshop and InDesign

Newbury College / August 2014 - May 2016

Assistant Coach

- Assisted head coach with the development and deliverance of training sessions, including leading full sessions and functional training segments
- Developed recovery sessions and focused on opposition analysis
- Active in the recruitment of student-athletes
- NECC Conference Semi-Finalists

Boston University Men's Club Soccer / August 2013 - May 2015

Head Coach

- Began coaching in what was the team's first officially recognized season
- Planned and delivered three training sessions per week
- Helped team create fundraising and volunteer opportunities throughout Boston
- Guided team to NIRSA East Division title twice and the New England Conference Tournament title
- Semifinalists at the NIRSA Region 1 tournament

Austin Preparatory School / August 2013 - August 2014

Assistant Varsity Coach

- Worked with the head coach in all training session preparation and delivery
- Assisted head coach in game day management and took lead responsibilities for three games.
- Planned and delivered goalkeeping sessions
- Worked with head coach in scheduling and off season preparations

United Soccer Academy / August 2011 - August 2013

Academy Coach

- Coached and trained numerous township-based and travel soccer programs throughout New Jersey
- Developed and delivered session plans, teaching very fundamental techniques to younger players and advanced technique and tactical awareness with older players
- Head coach for three club teams from Watchung Hills Soccer Association
